	Delivered
Mini Autowaste Boxes including Alarm Panel	£607.60
Standard Autowaste Boxes including Alarm Panel	£700.60
Twin Unit Autowaste Boxes including Alarm Panel	£902.10
Mini High Head Autowaste Boxes including Alarm Panel	£747.10
Standard High Head Autowaste Boxes including Alarm Panel	£847.85
Twin Unit High Head Autowaste Boxes including Alarm Panel	£1165.60
Standard Vortex Autowaste Boxes including Alarm Panel	£1049.35
Twin Unit Autowaste Boxes including Alarm Panel	£1568.60
Carbon Vent Filter	£15.00
Solenoid Valve (15mm or 22mm)	£55.00
High level float and Junction Box	£70.00
Alarm Panel only (not fitted)	£200.00

Alarm Panels: All our Autowaste units can be fitted with high level / mains failure alarm to give both visual and audible warning in case something goes wrong.

Solenoid Valves: Solenoid valves are supplied loose to interrupt incoming mains water supply in the event of high waste level or power failure. They are linked electronically to alarm panels on installation. 2 are required if hot / cold pipework.

Autowaste Twin Units: All Autowaste options (except the mini units) are available as twin units, complete with alarm panel and control panel which will alternate the pump operation.

Extra Inlets, Customised Tanks, Special Pumps: All of these can be catered for, price on application.
